'QUICK SCAN' 5-DAY REVIEW *P3M3 MATURITY*

Service Product Sheet

THE VALUE

A **full P3M3** capability maturity scoring **assessment** can take 3 to 7 weeks; longer if a certificate is required.

Early P3M maturity review enables early intervention by your PMO and leadership team ensuring portfolios, programmes and/or projects:

- Bring highest return on investment
- *Are practiced*-based not *process*-based
- Meet your delivery needs
- Supported by senior stakeholders

Ideal for pre-investment assessment review

OTHER P3M3 MATURITY PRODUCTS

- 90-minute P3M Maturity Whiteboard session
- High-level diagnostic review with threads commentary, recommendations and formal report
- Diagnostic review with thread scores
- Certification review

WHAT IS IT

An accelerated 5-day P3M3 Maturity review. Start Monday, report Friday.
Provides a high-level review of one P3M model, for example Project (PjM):

- Indicative score ranges for each Perspective: Governance; Management Controls; Risk; Benefits; Finance; Stakeholder and Resource
- High-level capability strengthening next steps recommendations

Includes:

- 90-minute feedback discussion on the Friday
- Report 1-pager, listing indicative score, key capability issues and risks, and next steps for capability improvements

OUT OF SCOPE

The Quick Scan P3M3 Maturity review **does not include**:

- Certification or thread scores
- Detailed P3M3 Perspective, Thread or improvement findings and recommendations
- Self-assessment workshop

OPTION ADD-ONS

The Quick Scan P3M3 Maturity review covers one P3M management model only, for example Project (PjM). The management model alternatives are Portfolio (PfM) and Programme (PgM). **Add-ons** that we are happy to discuss include:
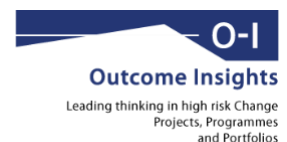

- Add a second model, will usually add 1-day
- Add a third model, will usually add 1-day

HOW IS IT POSSIBLE?

Our P3M3 Maturity practices consultants are some of the world's most experienced P3M/P3O/P3M3 experts. We are Axelos Consulting Partners (ACP), accredited P3M3 Assessors, and accredited Assurance Review Practitioners in UK, Australia and New Zealand.
